# 'Tis the season to GIVIT back

By Accru Felsers / January 16, 2023

On behalf of Accru Felsers, we welcome you all to 2023. We hope the festive season was a joyous one!

At Accru Felsers, we are committed to being responsible corporate citizens and ensure that we support our wider community. In the spirit of the season, Accru Felsers donated to GIVIT, a not-for-profit that provides support and relief to those affected by domestic and family violence, the COVID-19 pandemic and natural disasters. Our donation has provided items and funds to families in New South Wales, Queensland and Victoria that have affected by the devastating storms and flooding. Vouchers, prams, mattresses, linen, fridges and washing machines have been provided to families who have lost many or all of their belongings, homes and are experiencing financial stress.

We wish to express our gratitude to our emergency services, volunteers, and relief organisations such as GIVIT for their support and work to protecting those in need.

If you would like to learn more about GIVIT or donate to their appeals, please visit their website <https://www.givit.org.au/>.
